1 Lg Pkg Strawberry-Banana Jell-o

2 cups Boiling Water

1 cup Cold Water

1/2 cup Cuervo Gold Tequila

1/4 cup Triple Sec

1/4 cup Lime Lizzard Schnapps (By Dekuyper) Jello Shot

Dissolve the jell-o in the boiling water. Add the cold water to cool down the mixture. When cooled, add the tequila, triple sec and schnapps. And chill until set. Makes about [16] 3 oz dixie cups. Substituting lime juice for the schnapps works, but the flavor is not as good as with the lime lizzard.
