6 cups Milk

3 oz Mexican Chocolate

1 teaspoon Powdered Cinnamon

3 Eggs, Beaten

Boil milk in the top of a deep double boiler five minutes. Remove from fire and add chocolate, mixed with the cinnamon, a little at a time, beating with egg beater after each addition. When the chocolate is thoroughly blended, heat to the boiling point. Place over bottom of double boiler and add eggs, whipping constantly, until they are thoroughly blended and the mixture is frothing. Yield: 8 servings.
