1 - 750 MI Bottle Red Wine, Chilled

1 Orange, Sliced

1/2 Lemon, Sliced

2 tablespoons Sugar

1/2 cup Lemon-Lime Soda

In a non-metallic container (a glass pitcher is perfect) gently toss together 1/2 cup of the wine, the fruit, and the sugar, and refrigerate for 1/2 hour. Add the remainder of the wine, together with the soda. Sand stir.

You may wish to add ice; you may also wish to serve this with the fruit.
